

## FIFTH GRADE SURVEY

Dear Fifth Graders and Parents:

Tell us what you like! We are doing the annual survey of all fifth graders that will be included in this year's memory book. In addition to the favorites page, each student will have their name and future career choice written under their photo. Please fill out this form and review it before sending it back and make sure that your name is spelled exactly how you want it to appear in the memory book. Parents please sign the form and send it back to school in an envelope marked Memory Book/PTA Drawer by Monday, November 23<sup>rd</sup>. All forms must be signed in order for it to be included in the memory book.

Thank you for your cooperation,  
The Memory Book Committee
